

Orissa High Court e-Services

Case Status

- Case Status can be checked by Case Number, Case Number, Advocate Name or Party Name.
- Date Range is to be selected while inquiring through Advocate Name or Party Name.
- If search output is more than 1000, recent 1000 cases will be shown. The user may further refine the search by using date range.
- Detailed Case Status of a particular case can be seen by selecting the case from the list
- Related Judgment/Orders can be viewed or downloaded.
- Any case can also be saved to 'My Diary' by 'Save' button.

The screenshot shows the 'Case Status' search screen. It features a header with the app name and a back arrow. Below the header, there are four dropdown menus: 'Select Search Type' (set to Case Number), 'Select Main Type' (set to Select main type), 'Select Case Type' (set to Select case type), and 'Case Number'. There is also a 'Choose Year' dropdown menu set to 'Select year'. At the bottom, there are two buttons: 'RESET' and 'SEARCH'.

Cause List

- Select date and cause list type for complete cause list.
- Cause list can further be refined/sorted by Court Number, Hon'ble Judge Name, Case Number, Advocate Name, Petitioner or Respondent Name. Any one or more combination of these options may be used.
- Cause list can be viewed in the App itself or downloaded in PDF format.

The screenshot shows the 'Cause List' search screen. It features a header with the app name and a back arrow. Below the header, there is a text input field with a placeholder 'Select/Fill only those values on which search is required, Leave others blank.' and a close button. There are two radio buttons for 'Cause List View': 'Published' (selected) and 'Prepare'. Below that, there is a 'Choose Date' dropdown menu set to '2021-08-02' and a 'Select Bench' dropdown menu set to 'All Benches'. At the bottom, there are two buttons: 'RESET' and 'Search'.

New Cases Filed

- Results matching search criteria will be shown in a list and if the search output is more than 1000 cases, latest 1000 will be shown.
- Search word or string will be highlighted in the judgement/order.
- Search within search feature may also be used on searched results to further refine the search.
- Any judgment/order can be viewed or downloaded and save in PDF format.

My Diary

- This is the most useful feature of the App. The user may save the desired cases in My Diary and can always get updated status of these cases. My Diary will also be available offline i.e. without internet connectivity.

- How to add cases to My Diary

> Cases can be added by Add New Case option in My Diary

itself or from Case status

option.

- Updation of My Diary

> My diary will get automatically updated every day when the app will be opened for the first time. The user may also update the My Diary anytime by using the Update All option.

> Users are requested to remove disposed and unnecessary cases time to time from My Diary so that it updates swiftly and efficiently.

>Updation of My Diary may take some time depending upon the number of cased saved and speed of internet service. During updation, the user may use any other feature of the App or minimize the app and can do any other work on his mobile. The update will continue in the background. The progress of updation may also be seen in the notification bar. After successful Updation, messages will flash in the notification bar. My Diary will also show the time of last update.

> After updation tap "View All" to refresh My Diary

- How the cases are arranged in My Diary

- > Cases in My Diary are arranged date wise as pending and disposed cases.
- > Details of listing like cause list type, Court number and item number are also shown.

- View All

- > Tap on 'View All' to show all the saved cases.

- Search within the cases saved in My Diary

- > Cases saved in my diary may be searched by Party Name, Advocate Name, Case Number, Pending/Disposed or date wise.

- New Judgment/Order

- > If any new judgement/order will be uploaded in any of the cases saved in My Diary after last update, the same will be highlighted with the flag of 'New Judgement/Order'. This flag is displayed until user taps the case to see the details.

- > New Judgment/Order tab would show only those cases wherein New

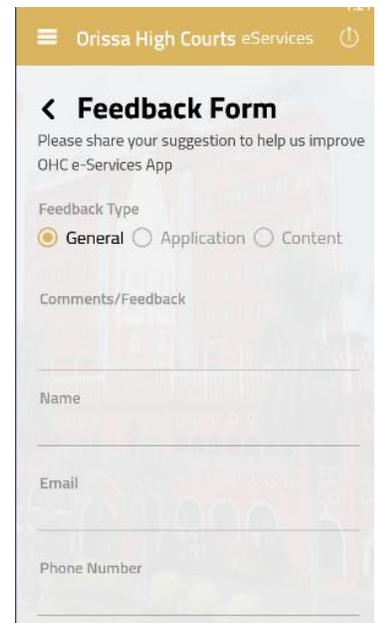

Judgement/Order has been uploaded after last update.

- How to delete a case from My Diary

- > Cases from My Diary can be deleted by long press of the case.

Feedback

- Valuable feedback is requested through feedback form on App.
