Letter No. 1259 /Dated: 30.09.2021.

The Registrar (Judicial),
Hon'ble High Court of Orissa,
Cuttack.

Sub: Submission of report regarding medical facilities available in the District of Nabarangpur.

Ref: Memo No. 36563(2), dated.16.09.2021 of Superintendent of the High Court of Orissa.

Esteemed Sir,

With profound humbleness, in reference to the above mentioned letter & subject, I submit that as per the direction of Hon'ble High Court of Orissa vide order dated. 15.09.2021 in W.P.(C) no. 18607 of 2021 a team of five persons was constituted involving three para legal volunteers & two young advocates empanelled with DLSAs to visit each of the medical facilities listed out at Annexure-J/2. The said team also submitted comprehensive reports to the Secretary, D.L.S.A., Nabarangpur on the aspect at (i) to (v) of paragraph-1 of the Hon'ble Court's order dated. 7th September, 2021, and in particular about the ground situation of the concerned district for onwards submission of the reports to the Hon'ble Court.

In this Circumstance, I am submitting herewith a complied report along with the reports submitted by the concern team enclosing all the relevant photographs for placing before the Hon'ble Court.

This is for favour of kind information & necessary action.

Yours faithfully

Encl: As above (15 Sheets).

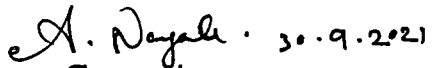

A. Nayak
Secretary, 30.09.2021
D.L.S.A., Nabarangpur

Survey was carried out by Mr. Sailendu Kumar Patra PLV, and Miss Tammana Jain PLV and two members of local representative.

Sl. No.	Date	Work done
01	21 sep 2021	Visited CHC Chandahandi and field survey
02	22 sep 2021	Field survey and interaction with local people/ villagers in Chandahandi Block.
03	23 sep 2021	Field survey and interaction with local people/ villagers in Dabugam block.
04	24 sep 2021	Visited CHC Dabugam and field survey.
05	25 sep 2021	Preparation of report for further submitting to Secretary DLSA.

NOTE: 1. MOI/c was highly appreciating the service provided during COVID Pannademic by MHU, and RBSK staff also shouldered there responsibility .

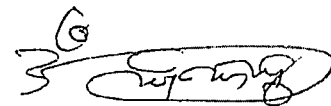

2. During field visit at remote area found MHU Chandahandi

3. While interacting with staff it was came to our notice that Covid Worriers (MHU and RBSK) moral is bit low because of irregularity in their Rapid Response Team (RRT) Covid Incentive. Discussed this issue with MOI/c and found that matter is pending at DHH. Initiative may be taken up by paying Covid Worrier dues, so that they are Boosted Morally in tern local public / Government is being benefitted.

4. Public opinion for ambulance services is to have more ambulances/102/108 for their services as they are getting delayed services by ambulance some times.

5. People were not interested and they feared to come forward for RT PCR test. Hence it is recomonded that ASHA / Health Workers must be motivated(by paying Incentives) for encouraging the villagers for RT PCR test .

6. Its also observed that people face difficulty for their diagnosis tests as all diagnosis are done at Community Health Center only. Hence its requested that Health ATM's may be installed at remote places so that initial stage generic diagnosis can be monitored/ controlled by respective Health ATM's.(Detailed study about health ATM is submitted in other folder)
