IN THE HIGH COURT OF ORISSA: CUTTACK

W.P.(C) NO.14706 OF 2022

GITA ROUT ... Petitioner

-VERSUS-

STATE OF ODISHA
& OTHERS ... Opp. Parties

**AFFIDAVIT FILED BY CHAIRMAN CUM
CONVENOR, JOINT TASK FORCE IN
COMPLIANCE OF ORDER DATED 13.12.2022**

I, Dr. Manoj V. Nair, aged about 48 years, S/o N. Vasudevan Nair working as Chief Conservator of Forests O/o Principal Chief Conservator of Forests (Wildlife) & Chief Wildlife Warden, Odisha, Bhubaneswar do hereby solemnly affirm and state as under:

1. That I am working as Chief Conservator of Forests O/o Principal Chief Conservator of Forests (Wildlife) & Chief Wildlife Warden, Odisha, Bhubaneswar and am competent to swear this Affidavit.
2. That the instant Writ Petition was listed for hearing before this Hon'ble Court on 13.12.2022. In Paragraph – 2 and 3 of

Manoj V Nair

Surendra Prasad Dhal
Advocate
NOTARY, CUTTACK

the order this Hon'ble Court has been pleased to direct as follows:

“3. An affidavit listing out the precise preventive measures taken will be filed before the next date. This will include the names of the “Gaja Sathis” who are said to have been deployed and the map showing the elephant corridor route in State of Odisha with the name of villagers that fall in and around the corridors. The affidavit will also set out the details of the FIR registered in connection with the above incident.”

3. That with regards to the directions at Para 3 of the aforementioned order, it is humbly submitted that the precise preventive measures taken for protection of elephants in the State are delineated hereinbelow:

i. In order to involve communities for protection of elephants, a scheme named “Gaja Sathi” is under implementation wherein 5 nos. of volunteers in each identified conflict prone villages have been selected through the Vana Samrakshyan Samiti (VSS)/ Eco Development Committee (EDC) of the concerned villages. These volunteers, after training, are engaged during the crop season for a period of 5 months from October to February. These volunteers act as the first line of response to alert villages in case of elephant movement nearby. They also act as an interface between the forest department and the village communities. During the year 2021-22, 2785 Gaja

Sathi volunteers had been engaged in 557 nos. of conflict prone villages. In the current year, this scheme has been scaled up and 5,457 nos. of volunteers have been engaged in 1177 villages of the State.

- ii. In order to protect the crops and other infrastructure from damage by the elephants and also to save the elephants from possible retaliatory killing, a scheme titled Jana Surakhya Gaja Raskhya has newly been rolled out on public community partnership mode having provision for solar fencing with 90% cost borne by the State. The scheme wherein selection of site / extent of solar fencing is decided in consultation with villagers/ PRI members, is already launched in 4 villages in Dhenkanal Forest Division and is being extended to other conflict prone villages.
- iii. To prevent electrocution of elephants and other wild animals, bare conductors in the elephant movement area to the extent of 2,354 kms have already been cabled (insulated) out of the identified stretches of 3,814 Kms. Similarly, 3500 weak electrical points like tilted poles, sagging lines have been rectified/ strengthened out of the identified 13,600 points. In addition, another 4,444 kms of bare conductors and 31,000 electrical points have also been identified in elephant movement areas for similar interventions by the DISCOMS.
- iv. There is elephant movement in 178 Ranges of 39 Divisions in the State out of which 86 Ranges in 24 Divisions form part of

important elephant habitats for long term conservation of elephants in the State. Further, basing on data of human-elephant conflict, 32 Ranges in 19 Divisions have been identified to be most conflict prone Ranges. Habitat improvement and other measures are prioritized in those Ranges accordingly. Major interventions for habitat improvements that are being taken up include creation of 34 nos. water bodies, renovation of 26 nos. of water bodies, 44 nos. of water harvesting structures, meadow development over 200ha and over 1lakh bamboo seed ball plantation.

- v. Further, about 900 nos. of protection squads comprising of 4,816 numbers of local villagers have been formed to monitor the movement of elephants and also to alert the villagers. In addition, one IT enabled App namely IWLMS (Integrated Wildlife Management System) has been put in place wherein squads and other field functionaries capture the movement of elephants and upload in the system for daily monitoring. On an average, 1200 nos of evidences of elephant movement are being uploaded daily.
- vi. In spite of all efforts taken, incidences of crop damage, loss of human life etc. by elephants do take place. The State Government has the provisions in place to provide compassionate amount in all such cases. To expedite disbursement of those amounts in the fixed time frame, an App titled ANUKAMPA has also been put in place and already 24,940 nos of cases have so far been settled with total

disbursement of Rs. 10,56,91,000 through DBT in the respective bank accounts of the beneficiaries. Copies of the relevant Govt. orders indicating the amount of compassionate grant admissible is annexed herewith as Annexure R/1 (Series).

vii. When elephant stray into human habitations, invariably it is almost a law-and-order situation and to address this situation, interventions of District and police administration is sought for to rule out any casualty, there is scope for further improvement. This instruction is being worked out further to have standing instructions to the local executive magistrate and police officers to be invariably present at the spot to assist the forest officials.

viii. Recently the meeting dated 14.12.2022 of all DFOs of the State has been conducted wherein the DFOs have been impressed upon for further improvement in implementation of all the measures scrupulously in the field.

3(A) That with respect to engagement of Gaja Sathi volunteers, it is humbly requested that total 5457 nos of volunteers have been engaged during the current year in the state, the list of such Gaja Sathi volunteers is annexed herewith as Annexure S/1.

4. That the State Govt. in the year 2011 has identified 14 nos. of elephant corridors in the State. The details of which have already been furnished in Annexure A/1 to the affidavit filed on 16.07.2022. The map (s) showing the villages that fall in and around these corridors are annexed here with as Annexure T/1 series. About 944 nos of villages are falling in and around these 14 corridors as listed corridor wise and annexed herewith as Annexure U/1.

However, there have been following developments in the meantime with regard to these identified Elephant Corridors.

- (i) As per the study carried out by the Asian Nature Conservation Foundation (ANCF), 9 elephant corridors out of 14 identified corridors have been rated as poor/ very poor in terms of their functional existence. Similarly, for ecological feasibility, another 3 corridors have been rated as good and one corridor as good if mining is stopped. The rest are rated not good/ bad as far as ecological feasibility is concerned. The ANCF has however identified 4 priority corridors.
- (ii) Accordingly, steps are being taken for obtaining ground truthing through Project Elephant, Govt. of India to confirm the viability of these corridors pursuant to the decision taken in the meeting

dtd.22.04.2022 held under the Chairmanship of Director (Project Elephant), Govt. of India.

- (iii) During the intervening period, the Hon'ble NGT vide their order dated 17.08.2021 passed in O.A. No.129/2016/ EZ filed by the Wildlife Society of Odisha, directed the State Government to notify the Elephant Corridors as identified by the Asian Nature Conservation Foundation.
- (iv) Since the said order is not implementable for want of ground truthing to ascertain the viability of these corridors before their notification, the State has filed the review petition dated 16.09.2021 before the Hon'ble NGT for reviewing its order praying *inter alia* for direction to complete the study before taking any decision on notification of the elephant corridors.

In view of the factual position as indicated above, the identified corridors have not been yet notified. However, all possible measures have been undertaken for protection of elephants and their habitat improvement as mentioned briefly in Para 3(i) to (vi) above. Moreover, the proposal for declaring Similipal-Kuldiha-Hadagarh traditional elephant corridor as Conservation Reserve U/s 38 of Wildlife (Protection) Act is under active consideration of the State. This will provide further protection to elephants.

- 5. That as regards recent incidence of elephant death in Similipal, 3 nos of forest officials who had been placed under suspension in connection with the said case, have been arrested under Wildlife (Protection) Act 1972 and forwarded to the Hon'ble Court of SDJM, Udala and remanded to judicial custody. Copy of the FIR registered along with connected records is annexed herewith as Annexure V/1.
- 6. That the humble Opposite Parties crave leave of this Hon'ble Court to make further submissions and file further affidavits, in the interest of justice and effective adjudication by this Hon'ble Court.
- 7. That the facts stated above are true to the best of my knowledge, belief and based on available records.

Guidelines of the Scheme "Biju Pucca Ghar (BPG)"

Background and Approach:

Housing is a fundamental human need. It is a basic requirement for the human survival as well as for a decent life. The existing IAY Scheme is not capable of providing houses to all deserving and genuinely poor people. To supplement the need of the people, especially, the deserving and genuinely poor people, this State Plan Scheme has been launched and called as "Biju Pucca Ghar (BPG)". Mo Kudia scheme was launched from FY 2008-09 and it was implemented in all the districts of the State. It has gathered popularity all over the State. Now the Mo Kudia scheme is modified and renamed as "Biju Pucca Ghar (BPG)" scheme.

2. Components of the Scheme:

"Biju Pucca Ghar (BPG)" has the following components;

- 2.1 Construction of new pucca house for the deserving and genuinely poor people / families, who are not covered under existing IAY Scheme. A new house mean a house constructed with a minimum built up area of at least 20sq. Mtrs. A pucca house means that it should be able to withstand normal wear & tear due to usage and natural forces including climatic conditions. It should have roof of permanent material.
- 2.2 Providing houses to the people / families affected due to natural / manmade calamities like fire, flood, cyclone, earth quake, elephant menace communal violence, LWE violence, major law and order problem, etc.

3. Funding Pattern:

- 3.1 "Biju Pucca Ghar (BPG)" is a State Plan scheme purely funded by the State Govt. with annual budgetary outlay of Rs.330.1052 crores, which is subject to revision from time to time.

3.2 Total budget allocation for a financial year will be distributed between

the two components i.e. for new construction and in case of houses affected due to natural/ manmade calamities in the ratio of 90:10.

3.3 The 10% of total allocation reserved for natural/ manmade calamities will be retained at the State Level and will be allocated to the districts on receipt of proposal from them.

3.4 In the event of sufficient number of proposals in respect of natural/ manmade calamities not received from the districts by the end of December of a Financial Year, the residual of the said 10 % will be converted for use by the districts for new construction and such allocation will be distributed among the districts.

4. Unit Cost:

The unit cost under "Biju Pucca Ghar (BPG)" for new construction of dwelling house is Rs.70,000/- for non-IAP districts and Rs.75,000/- for IAP districts. This can be revised by the State Government from time to time.

5. Target Group:

5.1 It has been found that a no. of deserving & genuinely poor people were left out during 1997 BPL survey and Household Survey List of 2002. As those families are deprived of getting IAY house, they are the target group under this scheme.

5.2 As per Census-2011 data, out of total 81,44,012 rural households, 30,78,195 no. of households are with roofs having materials like grass, thatched, bamboo, wood, mud structures and 20,109 houses are having plastic, polythene materials. So, providing shelters to these households in a phased manner has also been targeted.

5.3 In addition to it, some genuinely poor families excluded in BPL survey but victims of natural/ manmade calamities are also not getting IAY. For those families, "Biju Pucca Ghar (BPG)" Scheme will supplement the need.

True copy Attached

- 284
- 5.4 ~~Poor women in distress condition like deserted/divorced~~ (legal document to that effect should be produced), Widows, Transgenders, Freed Bonded Labour, Liberated manual scavengers are also the target group.
- 5.5 Mentally challenged, physically challenged (over 40%), Adult orphans of government registered institutions, Victims of leprosy and AIDS, Parents of children affected by AIDS will also be eligible.
- 5.6 The Particularly Vulnerable Tribal Groups (PTG) / Extremely Poor & Vulnerable Groups (EPVG) are also eligible.
- 5.7 Victims of river / sea inundation who need re-location / shifting.

Similarly under "Biju Pucca Ghar" (special) the targeted groups are:-

- 5.8 Victims of natural calamities like fire, flood, cyclone and elephant menace whose houses has been fully damaged / washed away. The flood damage assistance may be tagged with "Biju Pucca Ghar (BPG)" for fully collapsed category. Similarly, victims of manmade calamities like communal violence, LWE violence, major law and order problem are also eligible to get "Biju Pucca Ghar (BPG)" houses.
- 5.9 Any beneficiary allotted with a house under IAY / "Biju Pucca Ghar (BPG)" / IAY (FRA) / any other Scheme but his / her house is fully collapsed / washed away / fully damaged due to land slide / elephant menace / earthquake / flood / cyclone will be eligible to get another "Biju Pucca Ghar (BPG)" house.

6. Setting of Target:

- 6.1 The Physical Targets for each district will be set by the Department annually taking no. of rural Households, households having thatched roof and target groups available as enumerated at para Five (5) above in the districts as per the 2011-Census Data, SECC-2011 Data or other available information.
- 6.2 The districts will be distributing the Physical Target among Blocks as per the above formula.

in connection with OR case No.03^{JN} of 2022-23.

Hon'ble Sir,

The brief fact of the case is that on dated. 07.12.2022, the Field Director, Similipal Tiger Reserve-Cum-Regional CCF, Baripada received confidential information over a phone call at about 10:54 AM from person who named himself as "Mahali", working as Protection Assistant of Jenabil WL Range, Similipal South WL Division, that one elephant carcass was burnt by forest staff of Jenabil WL Range, in Compartment Number KH-23, Gurandia Section in the Core Area of Similipal South WL Division. On dated. 08.12.2022, he conducted enquiry and search operation in Jenabil WL Range along with a team of 45 staffs (both Uniform and PAs) in 5 teams. During his enquiry, the Accused No. 3- Binod Kumar Das, Forest Guard (STPF) (Under Suspension) admitted that on dated. 02.11.2022, one elephant carcass was traced by him along the patrolling party of 4 PA of Manasi Camp (Gurandia-III Beat) beside a stream while carrying out foot patrolling in Compartment No.KH-23(part 1). The carcass was about 5-7 days old and it was in partly putrefied condition. The tusks were removed by poachers, and its trunk was cut down. He then reported the incident to the Accused No. 2-Chandrabhanu Behera, Forester (Under Suspension), and then both of them reported to Accused No.1- Shiba Shankar Samal, Forester, I/c Range Officer, Jenabil WL Range, (under Suspension). Later the accused persons have burned the elephant carcass from 04.11.2022 to 07.11.2022 and threw the residual bones of the unburnt elephant carcass into Bhagiadhar waterfall nearby without following Standard Operating Procedure as per protocol of late detection of elephant carcass in core area of Similipal Wildlife Sanctuary (Declared vide G.O. No.869/dt. 06.05.2008) as well as Similipal Tiger Reserve(Declared vide G.O No.8F(T)9/2007/20801/F&E, Dt.31.12.2007). Subsequently, the other accused No. 1 & 2 also admitted the aforesaid fact. They also hid the information without intimating to higher authorities. The confessional statements of the 3 nos of accused persons was recorded by the Field Director, Similipal Tiger Reserve-Cum-Regional CCF, Baripada, in presence of Dy. Director, North WL Division and the undersigned (enclosed report) on dated 08.12.2022.

On the direction received from the Field Director, Similipal Tiger Reserve-Cum-Regional CCF, Baripada, vide Memo No. 4909/5F dated. 08.12.2022, the undersigned carried out search operation on dated. 09.12.2022 along a team of 50 Range Staff from 6 different Ranges and ACFs of Similipal South WL Division and in presence of DD, Similipal North WL Division. During the search operation, the undersigned recovered remnant tissues & bones from the burning spot of elephant carcass along the old Manasi nullah. Then the undersigned recorded the

statement(videographed) 3nos of accused persons and sent the recovered remnant tissue from the field.

The remnant seized tissues and bone sample were seized from the spot of incidence on dated 09.12.2022 and kept under the custody of Shri Lambodhar Patra, Forester, Kulipal Section. Later, same tissue and bone sample for forensic examination to Center for Wildlife Health, College of Veterinary Science Animal Husbandry, OUAT, Bhubaneswar on dated. 10.12.2022. On dated. 10.12.2022, all the three accused were suspended by Field Director, Similipal Tiger Reserve-Cum-Regional CCF, Baripada, for initiating Departmental proceedings against them.

On dated. 12.12.2022, the undersigned received the confirmation report of the tissues & bones sent for testing. The examination report is conclusive enough that the sample species is elephant and sex is male.

Being satisfied about their involvement in commission of wildlife offence U/S-52 of Wildlife (Protection) Act, 1972 (Amended) and punishable U/S-51 of the said act, the 3nos accused persons were involved in a concerted effort to destroy the evidence by burning the elephant carcass and concealing the elephant death to higher authority.

Hence, it is prayed that the accused persons may be sent to judicial custody for their involvement in contraband deeds as per Law.

Yours faithfully
